Applicants preparing multi-project applications using ASSIST will not have access to their applications during the downtime and should plan accordingly for May deadlines. Any applications submitted to Grants.gov during the downtime will be held at Grants.gov. Once service is restored, the applications will be processed by NIH and the submission results will be made available in eRA Commons.

Questions?

Should you have any questions about the impact of the above submission dates, please contact the [Contracts and Grants Officer](#) assigned to your unit.
