

NewsFlash!

Announcement: This is a reminder that all fellowship applications submitted to The National Institutes of Health (NIH) must contain an [Additional Educational Information Attachment](#). NIH will not consider applications that are missing the additional attachment and it is not allowed as a Post-Submission document. For additional information regarding the relationship between the Additional Educational Information attachment and the Facilities & Other Resources attachment, click [here](#). NIH has also posted [information](#) regarding the variation in the instructions between FOAs that include the Additional Educational Information attachment.

Questions?

If you have any questions regarding the requirements for fellowship applications, please contact the [Contracts and Grants Officer](#) assigned to your unit.
