

## NewsFlash!

**Announcement:** eRA will be upgrading its data infrastructure over the Memorial Day weekend. As a result, eRA Commons and ASSIST will be down for approximately 8 hours starting at 9:00AM on Saturday, May 23<sup>rd</sup>. eRA Commons and ASSIST will be unavailable during this time so if you have any NIH proposal deadlines on or around May 23<sup>rd</sup>, please have the proposal(s) submitted to the Department of Contracts and Grants sufficiently prior to the system down time.

If you have any further questions, please contact your [DCG Officer](#).
