

## NewsFlash!

**Announcement:** The Department of Contracts and Grants (DCG) would like to wish you a happy upcoming Independence Day! To prepare for the July 4th holiday, below are some important dates and reminders regarding upcoming proposal submissions.

DCG will be closed on Monday, July 3<sup>rd</sup> and Tuesday, July 4<sup>th</sup> and will resume normal business hours on Wednesday, July 5<sup>th</sup>. Principal Investigators and Department Administrators should be mindful of this closure when planning the submission of:

- Proposals with deadlines that fall on either of these dates (NIH Uo1's for example).
- Post-award actions such as no-cost extensions, prior approval requests for equipment purchases, etc.

It is critical that all researchers and research administrators allow sufficient time to review and submit proposals and award actions prior to next week's holiday.

**Questions?** Should you have any questions, please contact the [Contracts and Grants Officer](#) assigned to your unit as soon as possible.
