

NewsFlash!

On Friday, **August 11th**, 14 Series Fiscal Closing will take place in the Kualu Financial System (KFS), which will require extra processing time. It is anticipated that the normal 8:30 A.M. release of USC eMarket, DV/DVQE and all other financial eDocs from an overnight system freeze will be delayed, and that they will likely be unavailable throughout that day.

Please check the "**Message of The Day**" text displayed at the top of the Financial Main Menu screen when you log in to Kualu. It will either say:

"Kualu users, please report issues to 213-740-5857. All Financial eDocs are currently **RESTRICTED**."

OR

"Kualu users, please report issues to 213-740-5857. All Financial eDocs are currently **AVAILABLE**."

You may also check the System Update box on the Kualu@USC website.

The system freeze affects KFS and the USC eMarket only; Business Intelligence and TARA will remain available.
