

NewsFlash!

Announcement: [eRA](#) has received reports that users are unable to save publications for Research Performance Progress Reports (RPPRs). They are currently working to identify and resolve the issue. We will send an update when more information is available. In the meantime, *we recommend you do not submit any RPPRs that include publications* until the issue is resolved.

Questions? If you have any questions, please feel free to contact your [DCG Officer](#).
