Learn how to apply **team science** principles to **grant funding** opportunities for your multidisciplinary team

The SC CTSI Research Development Core will present new team building funding opportunities, including tips and strategies to apply team science principles to grant funding proposals. The following presenters will provide participants with insights into submitting a successful grant application.

**Sarah Hamm-Alvarez, PhD**  
RD Director  
Learn how to integrate team science while working in a diverse and collaborative team.

**Kayla de la Haye, PhD**  
RD Co-Director  
Understand the principles of teaming perspectives and theories.

**Aileen O. Dinkjian, MPH**  
Program Manager  
Start the process with a team science grant development consultation.

**Megan Gutierrez, MPH**  
Program Specialist  
Obtain insights to preparing an innovative grant proposal.

**WHEN**  
Monday, September 28, 2020  
2:30 to 3:30 PM  
A zoom link will be provided upon registration
