Reminder: The Negotiation Module in Quali Coeus (KC) serves as a valuable reference tool for Principal Investigators and Research Administrators to view the status of ongoing award negotiations within KC. Negotiations provides a real-time view of the negotiation activities for a specific proposal, award or agreement. Your DCG Officer reflects all ongoing negotiation activities by updating and finalizing a specific negotiation from the time a negotiation begins through agreement execution.

Below is a reminder on how to access a Negotiation:

- Log into [Quali Coeus](#)
- Click the "Unit" Tab
- Click "Search Negotiation"
- Enter the First and Last Name of the Principal Investigator (Ex. "Mark Smith")
